**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE CONSERVANCY ASSOCIATION**

We have audited the financial statements of The Conservancy Association set on pages 4 to 12 which comprise statement of financial position as at 31st December 2010 and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Executive committee members' responsibilities for the financial statements

The executive committee members are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards for Private Entities issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive committee members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

THE CONSERVANCY ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

1. General

The Association is domiciled and incorporated in Hong Kong with limited guarantee without share capital. Under the provision of its Memorandum and Articles of Association every member shall, in the event of the Association being wound up, contribute such amount as may be required to meet the liabilities of the Association but no exceeding the sum of HK\$10.00 each.

The address of the registered office and principal place of the Association is 9/F, Breakthrough Centre, 191-197 Woosung Street, Kowloon. The principal activities of the Association were promoting environmental protection during the year. The functional currency of the Association is Hong Kong dollars, and thus its financial statements are presented in Hong Kong dollars.

2. Significant accounting policies

(a) Basis of accounting

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and the requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(b) Revenue recognition

Revenue comprises income from fund-raising and projects are accounted for on accrual basis.

(c) Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the assets, other than legal title, to the Association. All other leases are classified as operating leases.

The Association as lessee

Rentals payable under operating leases are charged to the profit or loss on a straight-line basis over the term of the relevant lease. Benefits received and receivable as an incentive to enter into an operating lease are also spread on a straight line basis over the lease term.

(d) Retirement benefit costs

Payments to defined contribution retirement benefit plans are charged as an expense as they fall due.

(e) Property, plant and equipment

Property, plant and equipment are stated at cost or valuation less accumulated depreciation and any accumulated impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to the working condition and location for its intended use.

Subsequent expenditure relating to plant and equipment that has already been recognised is added to the carrying amount of the asset when it is probable that future economic benefits, in excess of the originally assessed standard of performance of the existing asset, will flow to the enterprise. If not, the expenditure is treated as an expense in the period in which it is incurred.

Depreciation is charged so as to write off the cost or valuation of assets, over their estimated useful lives on a straight-line basis.

THE CONSERVANCY ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

2. Significant accounting policies (continued)

(f) Impairment of assets

Assets that have an indefinite useful life are not subject to amortisation, which are at least tested annually for impairment and are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Assets that are subject to amortisation and are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

(g) Financial instruments

Financial assets and liabilities are recognised in the statement of financial position when the Association becomes a party to the contractual provisions of the instrument and measured at fair value.

- (i) Accounts and other receivables are subsequently measured at amortised cost using the effective interest rate method. Appropriate allowances for estimated irrecoverable amounts are recognised in the profit or loss when there is objective evidence that the asset is impaired. The allowance recognised is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the effective interest rate computed at initial recognition.
- (ii) Cash and cash equivalents comprise cash on hand and demand deposits and are subject to an insignificant risk of changes in value.
- (iii) Accounts and other payables are subsequently measured at amortised cost, using the effective interest rate method.

3. Transition to the HKFRS for Private Entities

(a) Application of the HKFRS for Private Entities

The Association's financial statements for the year ended 31 December 2010 are its first annual financial statements prepared under accounting policies that comply with the HKFRS for Private Entities. The Association applied full Hong Kong Financial Reporting Standards (HKFRSs) to prepare its financial statements prior to the application of the HKFRS for Private Entities.

The Association's date of transition is 1 January 2010 and the Association prepared its opening statement of financial position in compliance with the HKFRS for Private Entities at that date.

The Association has applied all the mandatory exceptions and certain of the optional exemptions from full retrospective application of the HKFRS for Private Entities when preparing these financial statements in accordance with the HKFRS for Private Entities.

The application of the new HKFRS for Private Entities has no material effects on the Association's financial performance and positions.

THE CONSERVANCY ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

4. Critical accounting estimates and judgement

The Association's management makes assumptions, estimates and judgements in the process of applying the Association's accounting policies that affect the assets, liabilities, income and expenses in the financial statements prepared in accordance with HKFRS for Private Entities. The assumptions, estimates and judgements are based on historical experience and other factors that are believed to be reasonable under the circumstances. While the management reviews their judgements, estimates and assumptions continuously, the actual results will seldom equal to the estimates.

(a) Key assumption and other key sources of estimation uncertainty

In the opinion of executive committee members, there is no key sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the financial year.

(b) Critical judgements in applying the Association's accounting policies

In the opinion of executive committee members, there is no critical judgements in applying the Association's accounting policies.

5. Income

Income comprises income from fund-raising and projects are accounted for on accrual basis.
